Light Industrial Space

350 East Plumeria Drive

San Jose, CA 95134

350 E Plumeria Drive is a 142,700-square-foot single-tenant building designed to meet the needs of cutting-edge industries in need of biotech lab space, manufacturing, and high-bay space with loading. Companies drawing from the area's finest talent benefit from the property's proximity to three rail stations, providing easy access to a dense population of 1.3 million people within a 10-mile radius.

Property Highlights

- 3 Grade level doors
- 5 Dock high doors
